Grace and peace be with you!

I am Rev. Carrie Bail; I'm your ¼time Bridge Pastor. This is my 39th year of ordained ministry. The first church I served was in Hawaii, which is also where I met my husband, Darius Jonathan, at university there from S. Sudan to study linguistics. Our three children were born there, too, so we still live with a lot of aloha spirit! I hope to share pieces of my story both in this newsletter and also in Sunday sermons, as I will lead worship 2-3 times per month.

I am also very excited to be going with a group of UCCH leaders to the informational meeting sponsored by the Hampden Association on May 5th, entitled "Building A Spirit of Covenantal Collaborations" at First Church of Westfield. It will explore ways that our church can solidify its ministry impact for generations.

Please feel free to reach out to me if you would like a visit or a phone call. You may leave a voice or text message at 413-233-8195.  
Blessings, Carrie
