Here we are, church!

This is a month to be thinking and praying about what it means to BE church (not just being IN church, although that's helpful, too!)

After the service on June 14, we will have the good fortune to meet with Rev. Charlotte Wright, bridge pastor for the Northwest Area of the Southern New England Conference of the UCC whose presence with us will be all about...Church. How God is calling this particular gathering of God's people in this place and time to think and act as church, as you get ready to call a more permanent spiritual leader.

And just in case that's not enough church events for you, there's the Annual Fellowship dinner on June 2<sup>nd</sup> AND an Annual Meeting on June 28<sup>th</sup> after worship. **"The church is the body of Christ, and each member is a part of it." (1Corinthians 12:27)**

It's my hope that each and every one of you will be a part of an active community body and consider June as church renewal month.

May God be with us all!

Rev. Carrie Bail

## Join us for Coffee Hour every Sunday

Refreshments, fellowship, and time together right after the 10 am service. We'd love to see you there. **Children are welcome to play in the nursery room, as long as an adult is present.**
